APPSCRIPT </>

- Sends reminder emails to sales reps and clients, tracks sales targets, adds new sales opportunities to the "Sales Pipeline" sheet, and notifies team members.
- It manages data entry, updates records, deletes records, and integrates with Google Calendar for event scheduling, ensuring timely follow-ups and streamlined workflow management.

```
function sendReminderEmails() {
  var salesPipelineSheet = SpreadsheetApp.getSheetByName("Sales Pipeline");
  var settingsSheet = SpreadsheetApp.getSheetByName("Settings");

  // Get the number of days from last interaction to send reminders
  var daysThreshold = settingsSheet.getRange("D2").getNumber();
  var today = new Date();
  var lastInteractionIndex = 12;

  // Get the sales pipeline data and settings
  var pipelineData = salesPipelineSheet.getDataRange().getValues();
  var repsData = settingsSheet.getRange("B2:D10").getValues();

  // Create a map of email addresses for quick lookup
  var emailMap = {};
  repsData.slice(1).forEach(row => {
    if (row[0] && row[1]) {
      emailMap[row[0]] = row[1];
    }
  });

  // Loop through the sales pipeline data
  pipelineData.slice(1).forEach(row => {
    if (row[lastInteractionIndex]) {
      var lastInteractionDate = new Date(row[lastInteractionIndex]);
      var daysDifference = Math.floor((today - lastInteractionDate) / (1000 * 60 * 60 * 24));

      if (daysDifference > daysThreshold) {
        var [name, email] = [row[0], emailMap[row[0]]];
        var subject = `Sales Pipeline Update`;
        var body = `Hello ${name},\n\nWe hope this message finds you well. We wanted to remind you about your sales pipeline. Please review the attached document for more details.\n\nBest regards,\nYour Sales Team`;

        MailApp.sendEmail(email, subject, body);
      }
    }
  });
}
```

GOOGLE FORM

Serves as a data collection tool to gather information from new customers interested in our products. It ensures continuous engagement with potential clients and supports strategic decision-making.

Questions Responses 10 Settings

問 半 壓 崗

Inquiry Form

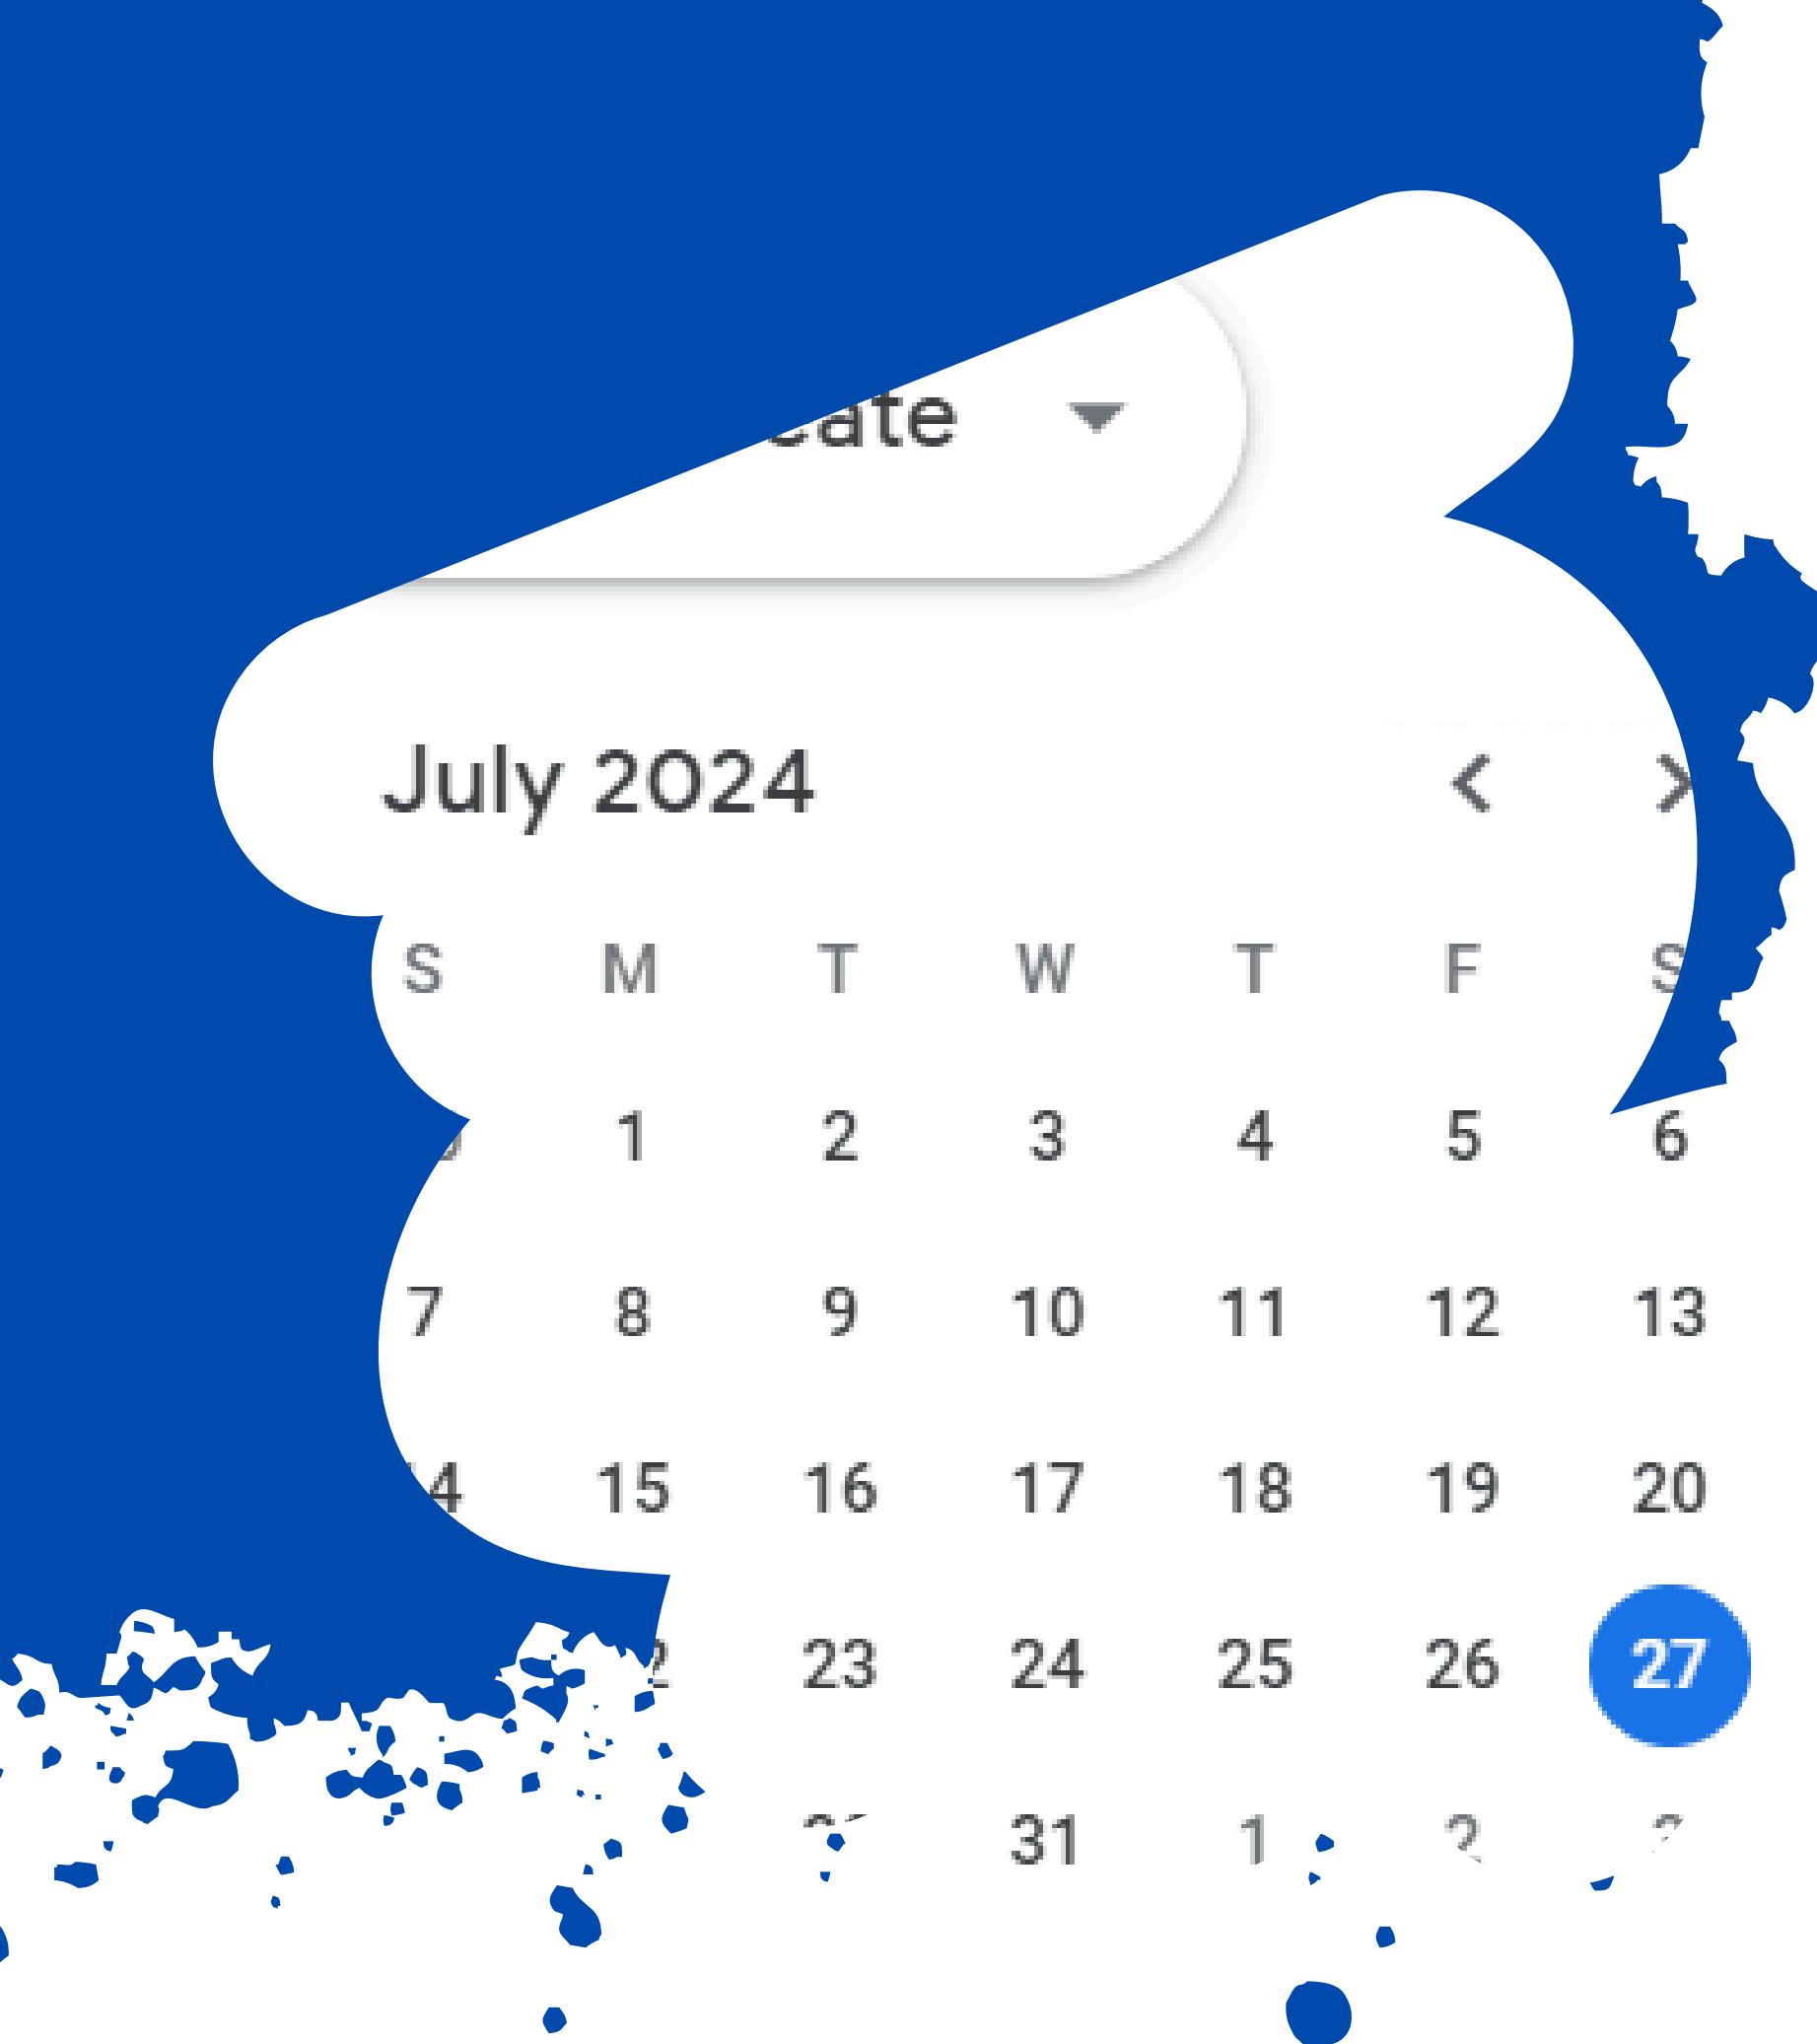

to the Mou Man Tai inquiry form. Your prompt response will help us serve you better. We will get soon as possible with the requested information.

er text

The screenshot shows a Google Form interface. At the top, there are navigation links for 'Questions', 'Responses' (with a count of 10), and 'Settings'. Below this is a header featuring large Chinese characters '問 半 壓 崗' (Question Half Pressure Gun) and the company name '- MOU MAN TAI - SALES CEPANY' in English. The main body of the form is titled 'Inquiry Form' and contains a single text input field with placeholder text: 'to the Mou Man Tai inquiry form. Your prompt response will help us serve you better. We will get soon as possible with the requested information.' There are also standard Google Form toolbar icons for bold, italic, underline, and close.

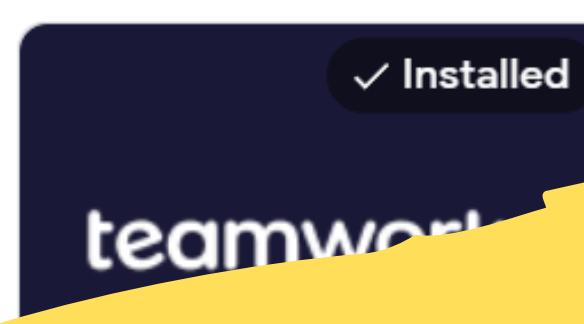

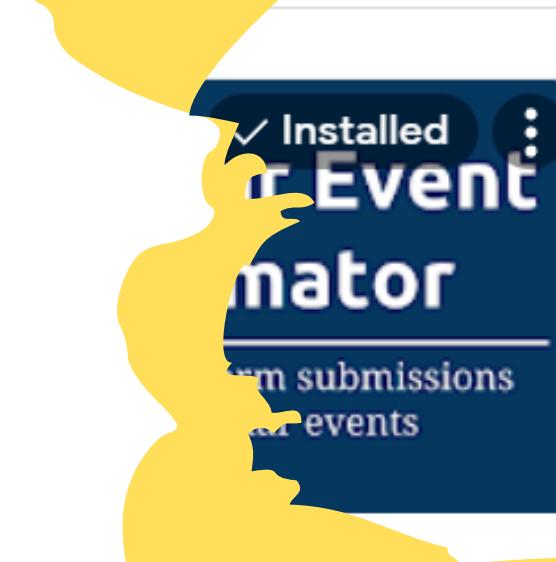

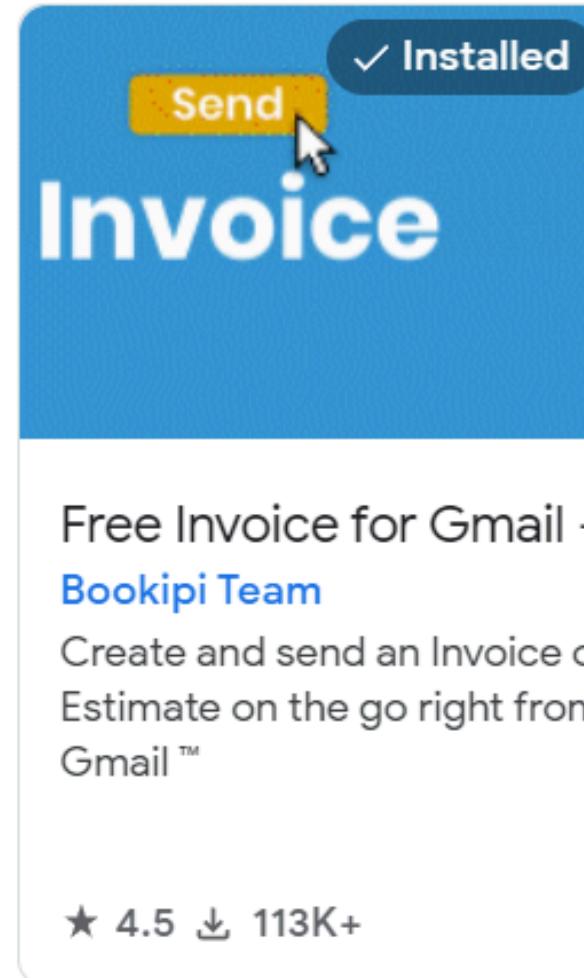

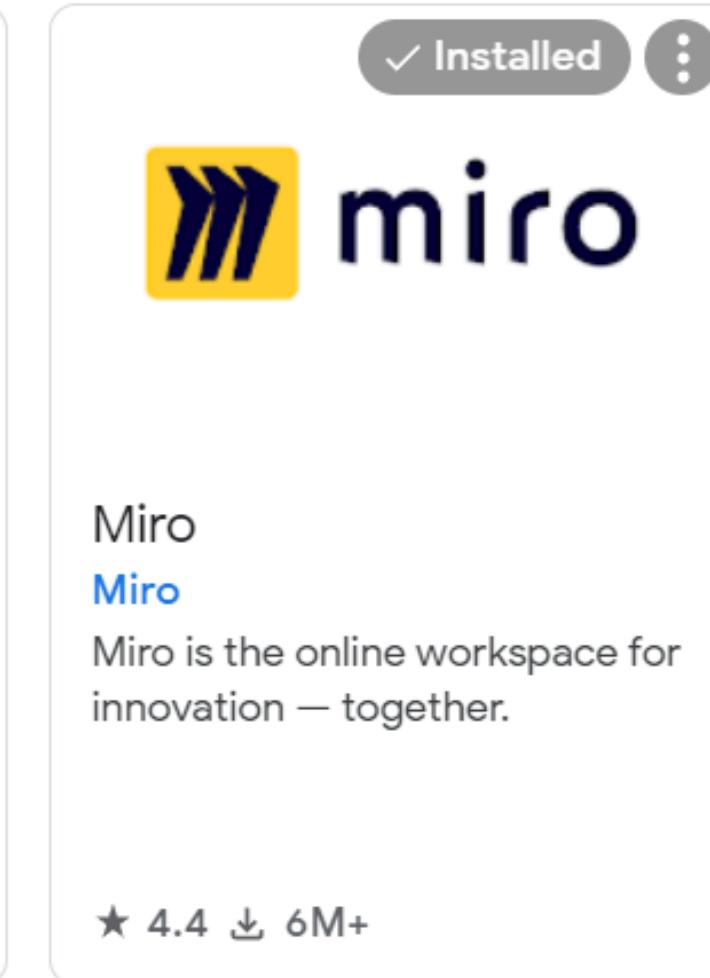

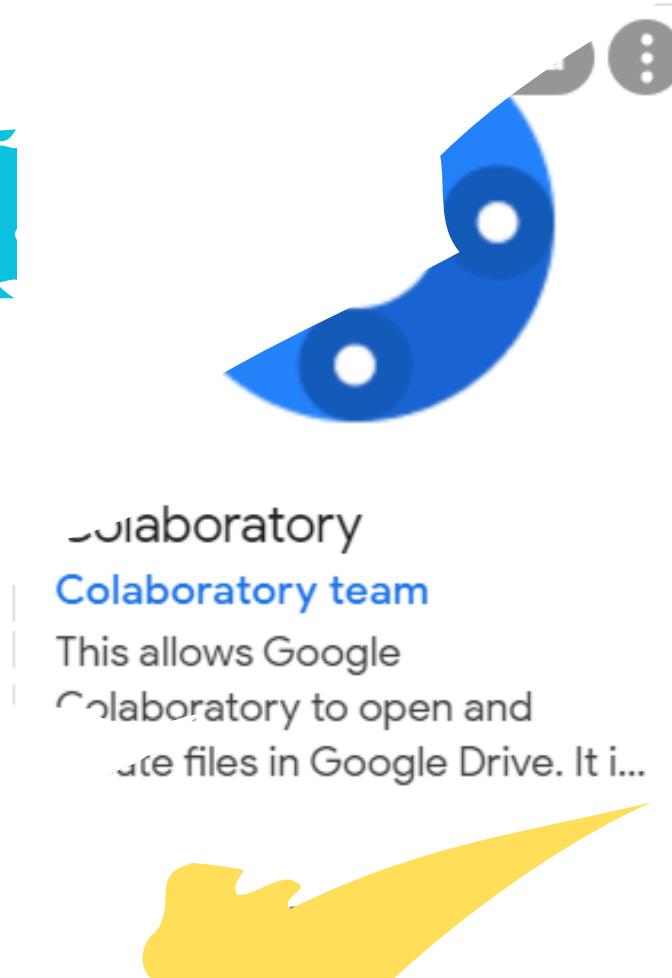

GOOGLE CALENDAR

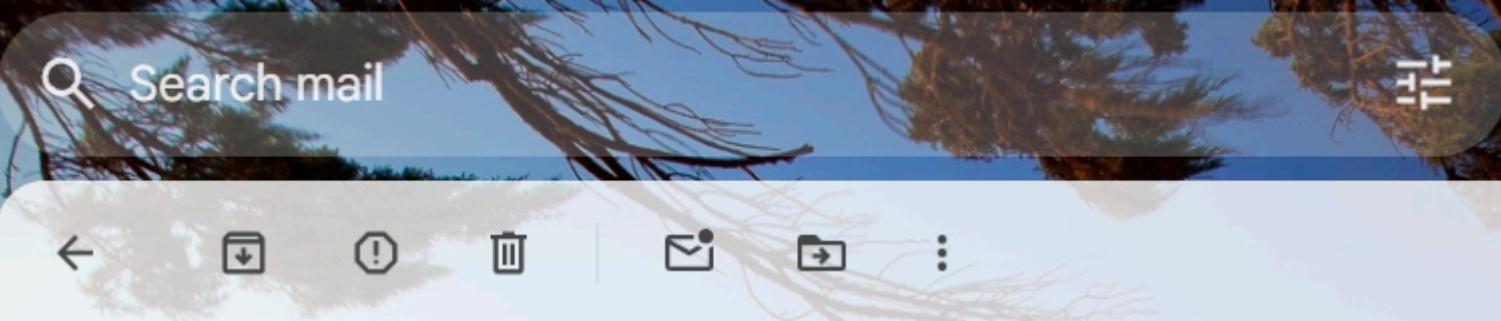

Marking down the dates when Google Forms are sent and appointments are set. This integration ensures that all client interactions and follow-up activities are scheduled and tracked, facilitating efficient management of sales processes and improving client engagement.

GOOGLE WORKSPACE MARKETPLACE

Provides additional apps and integrations to streamline the sales management process, enhancing the functionality of our system.

to me ▾

Dear Janice,

This is a reminder of your progress towards the sales target for this year. You **434000** in sales.

You need **RM 66000** more to reach your yearly target of **RM 500000**.

Your progress towards the target is **86.80%**.

There are **5** months left to hit the target.

Keep pushing to achieve your goal!

Best regards,

Sales Team

Follow-up Reminder for Company B ▾

 reallyhat@gmail.com
to laijienweng ▾

Sat, Jul 13, 5:04 PM    

Dear Jr,

This is a friendly reminder to follow up with Oprah Winfrey from Company B (oprah@companyb.com). It has been **14 days** since the last interaction.

Next Step: Follow-up

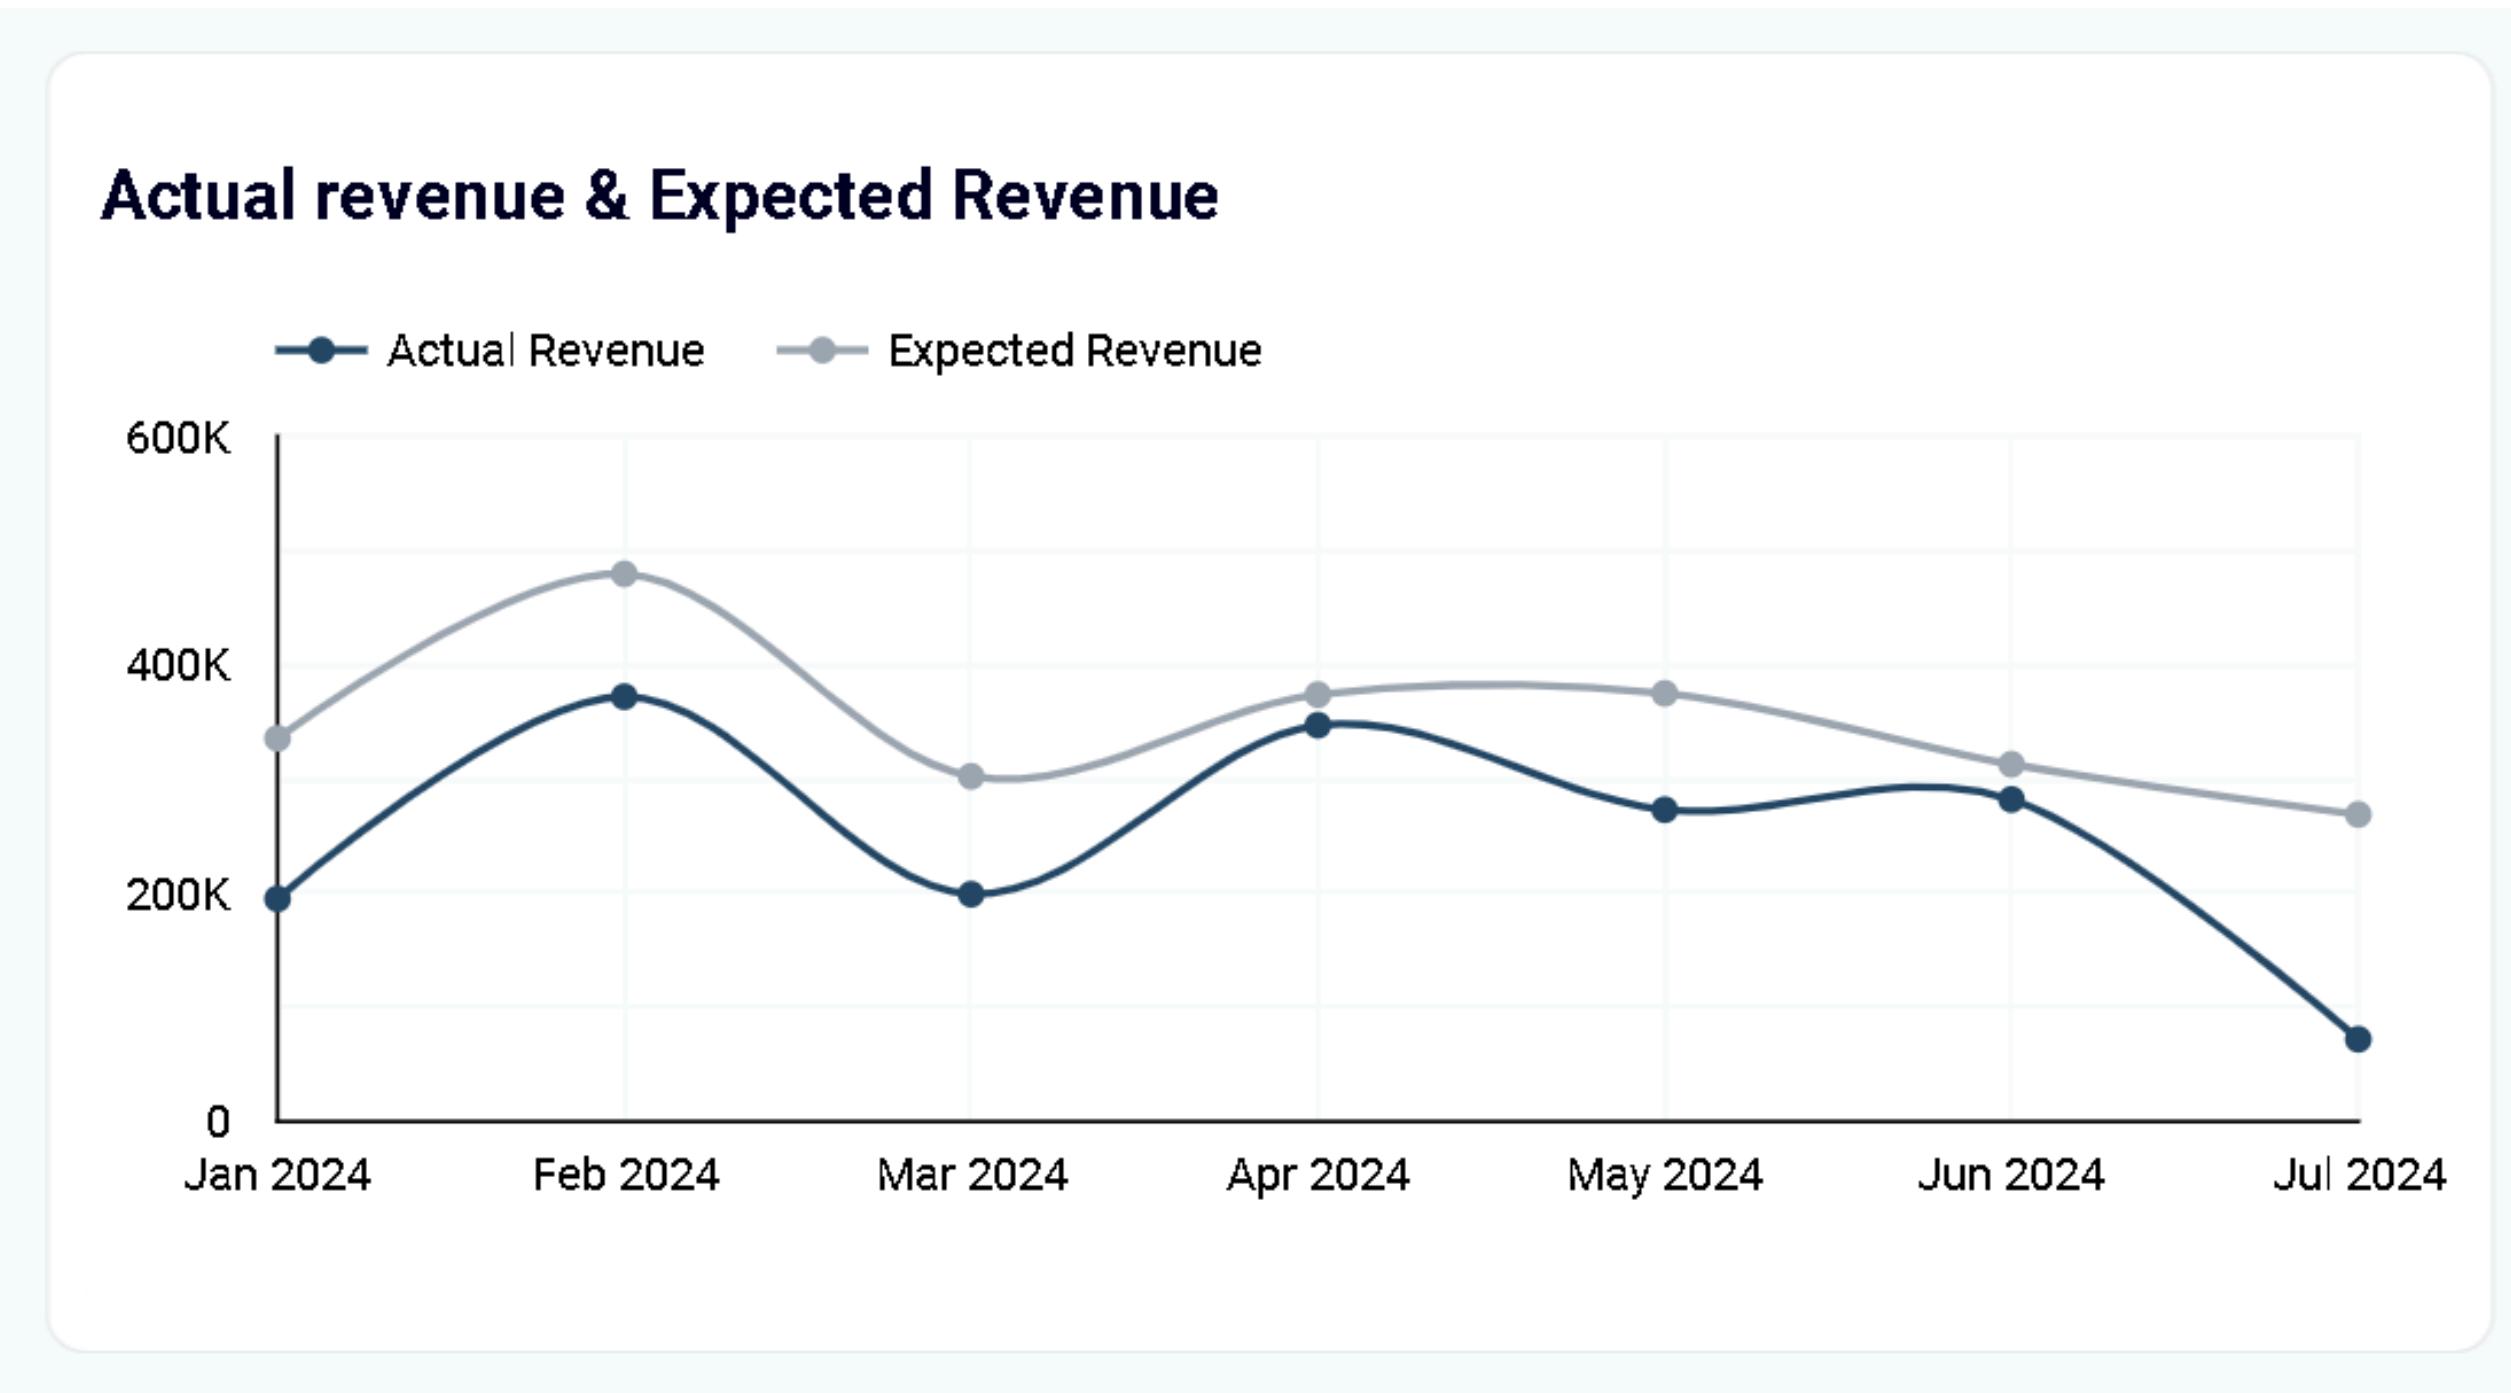

Please ensure to complete the necessary actions as soon as possible to keep the sales process on track. If you need any assistance or have any questions, do not hesitate to reach out.

Thank you for your attention to this matter.

Best regards,
Sales Team

PROBLEM: INCONSISTENT SALES FORECASTING

Utilizes Looker to forecast expected sales in the upcoming time.

PROBLEM: HIGH COST CRM SYSTEM

Note: Google Workspace is free for the first 15GB storage per user

The image shows the Google Workspace pricing page. At the top, it lists 'Every plan includes' with icons for Gmail, Drive, Meet, Calendar, Chat, Docs, Sheets, Slides, Keep, Sites, Forms, and AppSheet. A 'Featured add-on' section highlights Gemini with a 'New' badge. Below this, four plans are listed:

- Business Starter**: For the first step in running a professional business. Priced at RM12.50 MYR (RM25* per user/month, 1-year commitment). Includes 30 GB pooled storage per user*. Features a 'Start a trial' button and a note about the Gemini add-on available.
- Business Standard**: For growing businesses that collaborate and connect often. Priced at RM30 MYR (RM50* per user/month, 1-year commitment). Includes 2 TB pooled storage per user*. Features a 'Start a trial' button and a note about the Gemini add-on available.
- Business Plus**: When extra security and compliance is a top priority. Priced at RM75 MYR (per user/month, 1-year commitment). Includes 5 TB pooled storage per user*. Features a 'Start a trial' button and a note about the Gemini add-on available.
- Enterprise**: Scaled productivity solutions for more than 300 users. Priced at Contact sales for pricing. Features a 'Contact sales' button and a note about the Gemini add-on available.
